Are you looking for a **corporate event**, **teambuilding** or **stress busting** workshop?

Here at Artshed, we can provide your company with bespoke creative workshops focused on your objectives, whether it's team building, learning a specific craft, or just a fun day out for your employees.

Employees thrive in a positive and optimistic environment, and research suggests that having art in the workplace increases creativity, efficiency and even productivity.

Our workshops encourage
focus, **mindfulness** and **reduce stress**,
all important factors
for a productive working environment.

All of our corporate events can be held at the Artshed studio or an external venue.

We can work from a conference room, hotel or even come to your work place.

All of our workshops require a minimum of 8 employees.

We can even organise **catering** for you!

Have breakfast, lunch or dinner at the Three Lakes restaurant next door to our studio, with stunning views of the lakes.

Or we can arrange for the catering to come to you!

Want to make a whole day or weekend of it?

We have a meeting room, separate from the creative space. Plus there's an outdoor activity centre and a fishing lake on site.

Bespoke Creative Workshops

Chose from one of our creative workshops and we can tailor the activity to you.

We can improve team spirit and inspire competition within the group, by setting tasks and goals or putting the group into teams.

Each workshop will be run by an experienced tutor.

No previous experience required!

THROWING

Throw a pot on the potter's wheel, taught and guided by an experienced ceramic artist.

POTTERY PROJECTS

Learn the art of hand building with clay and make decorative tiles, dishes, tealights or use your imagination to create something unique.

Or why not combine throwing and handbuilding to make a mug or a pot with a lid!

FUSED GLASS

Learn how to cut glass, lay out simple designs, use texture, inclusions and colour to create coasters, hanging pieces, sun catchers or jewellery.

JEWELLERY MAKING

Explore different sewing and beading techniques to create gorgeous fashion jewellery.

TEXTILES

Try your hand in one of our short workshops with finger knitting, crochet, felting or T-shirt printing. Make pots, necklaces, scarves and more!

SILVER CLAY

Learn how to make real silver jewellery with this amazing creative clay.

PAPERCRAFTS

Create a flower wreath, hanging decoration or a framed 3D piece for the office or home with our intricate papercraft workshop.

LAMPWORK

Turn up the heat with the beautiful craft of lampwork, making unique, handmade glass beads.

Our tutor will give you all the tools and knowledge to make a number of glass beads that you can make into a bracelet or necklace.

FINE ART

Get creative with the medium of your choice, learning drawing and painting skills. We will focus on some technique work and how to bring a composition together.

Stress Buster Workshops

We can offer all of our bespoke creative workshops as shorter versions fitting around your working day, To achieve this, we can come to you or if you're local, we can hold it in our studio, on your lunch break or after work.

Our short Stress buster workshops are a great opportunity to have some time out for your employees, whilst keeping the time limit down and not affecting working hours.

So what now?

Chose one of our workshops and we will create a quote based on a bespoke package and theme especially for you.
